February 2010

## *President's Letter*

Hello to all of my fellow Jaycees. With one busy month completed I hope everyone is still as thrilled as I am to continue building Cayce/West Columbia momentum. I want to encourage Jaycee members to come out to our meetings for fun times, great discussions, learning new things and getting to know one another better. It's also an ideal way to keep on track with the exciting projects we have coming up for the year and to stay involved with improving ourselves and our community.

Please always keep in mind while you're out and about to let others know about our fantastic organization – don't keep it to yourselves, let's share the good times. We have so much in store and we don't want anyone to miss out as we all aspire to... *Win in 2010* as we... *Listen, Learn, Lead.*

***The Jaycee Creed***

***WE BELIEVE:***

*That faith in God gives meaning  
and purpose to human life;  
That the brotherhood of man  
transcends the sovereignty of nations;  
That economic justice can best be won  
by free men through free enterprise;  
That government should be of laws  
rather than of men;  
That earth's great treasure lies in  
human personality;  
And that service to humanity  
is the best work of life.*
